PERFECT FOR
REFRESHING GEAR
BETWEEN WASHES.

ODOR NEUTRALIZING SPRAY FOR ACTIVEWEAR

For the days you skip the wash but not the workout. Rinsewear Activewear Refresh Spray eliminates odors at the source using a plant-based formula powered by zinc.

Ideal for activewear, shoes, and gym bags.

RINSEWEAR	FRAGRANCE SPRAYS
Eliminates odor at the source	Masks odor with scent
Zinc neutralizes odor molecules	Smell returns quickly
Residue-free formula	Leaves residue on fabrics

INGREDIENTS:

Organic Saponified Oils (Coconut, Olive, & Jojoba), Witch Hazel Water, Caprylyl/Capryl Glucoside, Zinc Ricinoleate, Vegetable Glycerin, Organic Guar Gum, Lavender Essential Oil, Citric Acid, Lemon Essential Oil, Orange Essential Oil, Rosemary Extract, Benzoic Acid, Organic Aloe Vera

90 mm

HOW TO USE

Spray directly onto activewear, shoes, or gear.

Focus on odor-prone area.

Allow to air dry.

RINSEWEAR

ACTIVEWEAR REFRESH SPRAY

350ml | 11.83 fl oz

WHY ACTIVEWEAR HOLDS ODOR

Sweat itself doesn't smell. Odor develops when bacteria break down sweat trapped in performance fabrics. Many sprays mask this with fragrance.

Rinsewear uses zinc to neutralise odor molecules at the source leaving gear truly fresh.
